

REMARKS

The application has been previously amended to correct minor informalities so as to place the application, as a whole, into a prima facie condition for allowance. Great care was taken to avoid the introduction of new subject matter into the application as the result of the foregoing modifications.

As Applicant has corrected the labeling of the new drawing sheet to read "New Sheet" as directed by the Examiner, Applicant respectfully requests that the application now be passed to allowance.

Respectfully submitted,

By
